intello.com

Best-in-class casting solution

Cast content from over 300 Google Cast** compatible apps including movies, TV shows, music and games.

* Our casting solution includes one Chromecast per television, or you can provide your own casting devices.

** Our solution requires TVs with at least one available HDMI input. End-users need to own a mobile device and have Google Cast compatible apps. All logos, trademarks and registered trademarks are the property of their respective owners and have no affiliation with Intello by TELUS Business.
